Dear Valued Partner,

Upholding our company's standards of selecting and importing only the finest products for HORECA professionals from the world's leading producers, we are delighted to present the bar edition catalogue.

This edition features an exceptional range of products designed for bar and restaurant services.

Our new assortment includes the luxury beer brand NOAM, served in the finest bars and restaurants worldwide and the extra premium-quality mixers, Gin and Mezcal from LE TRIBUTE, renowned by their exceptional taste and elegant bottle design. We are also proud to introduce Gin MG, the distinguished Ron Santísima Trinidad Aged Rums, a selection of premium Single Variety Grape Spirits and Ouzo, together with an innovative range of premium non-alcoholic spirits, offering new possibilities to meet the evolving demands of today's hospitality industry.

Furthermore, our catalogue showcases quality wines from our trusted partners in Kamptal and Vienna in Austria, Penedès in Spain and Paros Island in Greece, alongside a variety of premium toppings and decorative products such as edible flowers, spices, rim salts, molecular pearls, drink garnishes and more.

We'd love to explore how these outstanding products can enhance your business offerings and create memorable experiences for your guests. Let's make something extraordinary happen together!

Cool regards,

George Pieri
CEO
